

31st Annual Conference of INAIR

CALL FOR PROPOSALS

March 23-24, 2017
Sheraton Indianapolis City Centre
Indianapolis, Indiana

Dear Colleagues,

The 31st Annual Conference of the Indiana Association for Institutional Research (INAIR) will be held on **March 23rd and 24th, 2017** at the Sheraton Indianapolis City Centre. Presentations are welcomed to cover any portion of the broad scope of the IR profession. We invite participants to present research and discuss ideas on institutional research in general, methods for improving the quality and utility of data, and best practices in sharing all different data types with institutional decision-makers. Additionally, we encourage presentations that are collaborative in nature, particularly within or among institutions, and presentations that focus on sharing different approaches to a similar problem or project. We are hoping to also have increased participation and attendance from our colleagues at the Kentucky Association of Institutional Research (KAIR).

Your participation in the conference can be expressed through several venues:

Pre-conference workshop (90-180 min) ***
Paper (45 min)
Demonstration (45 min)

Panel discussion (45 min)
Breakfast SIG or Table Topic (varies)
Poster session (60 min)

Submissions are due February 17th, 2017.

****If you would like to lead a pre-conference workshop, please contact me by **January 31st, 2017**. We already have a number of these lined up, so space is limited.*

Proposals are submitted via email to Ron Severtis, INAIR Vice President and 2017 Conference Chair, at our new INAIR email address: INAIR.org@gmail.com

The proposal submission form and other 2017 conference information can be found on the INAIR website, (inair.org). For all proposals, review/acceptance information will be communicated as soon as available, but no later than mid-March. The presenter(s) of any accepted proposal must register for the conference. Presentation materials will be made available to our members online.

If you have any questions or suggestions for the conference, or if you need assistance during the submission process, please give me a call or email. I look forward to receiving your proposals and seeing you at the 2017 conference on March 23rd and 24th!

Sincerely,

Ron Severtis

INAIR Vice President and 2017 Conference Chair
