Evaluation Criteria: Relevance to institutional research, relationship to theme, applicability, and overall quality. Presentations should provide information of findings that are applicable across institutions and to the broadest possible audience of institutional research practitioners.

Note: It is the policy of the Indiana Association for Institutional Research (INAIR) that all individuals who are listed as presenters for the INAIR Annual Conference be registered for at least the day they are scheduled to present at the conference. Failure to register for the conference will result in that presenter's name being dropped from all printed and online conference materials regarding that presentation. By submitting a proposal, you acknowledge that you have read and understand this policy.
